

Where are Slovenia's innovators shaping the world from abroad?

Analysis of the Entrepreneurial Diaspora and the Development of a Supportive Ecosystem for Slovenian Entrepreneurs in the United States

- This project aims to map, connect, and better understand Slovenians and Slovenian descendants who work as entrepreneurs, startup leaders, or academics in the United States.

GOALS OF THE PROJECT

Map key innovation and business hubs in the US where Slovenians are active

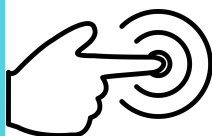

Identify how these communities operate and collaborate

Develop strategies for long-term connections, mentorship, and knowledge exchange within the diaspora and with Slovenia
